

Booking Procedures, Terms and Conditions of Use (updated 10th July 2020)

In booking your net session, you agree to be bound by the following terms and conditions.

Please read the following carefully, as failure to adhere to these may result in net booking privileges being withdrawn.

1. The following terms and conditions are compliant with the Cricket Scotland guidelines which were announced on 19th June 2020. The club reserves the right to amend these at any time in line with further CS guidance which may be released.
2. Your attention is also drawn to the club specific terms and conditions at the end of this document.
3. In line with current Scottish Government guidance, if you are symptomatic, living in a household with a possible COVID-19 infection or if you are classified as extremely vulnerable on health grounds, you should remain at home and follow Government guidance.
4. You can use the nets with members of your own household or with members from up to 4 other households at any one time per day. A maximum of 8 people can participate in a session.
5. Social distancing of at least two metres must be maintained at all times (unless all participants are members of the same household).
6. Wash hands at home before and after using the outdoor facilities. Bring your own hand sanitiser.
7. Use own equipment. We will not be providing club equipment apart from stumps.
8. No saliva or sweat should come into contact with the ball at any time.
9. The Clubhouse must remain closed.
10. Members are using nets at their own risk.
11. Try not to arrive too early, aim to arrive at the start of your slot to help with social distancing.
12. Bring your own playing/training equipment including balls.
13. Bring your own filled drinking bottles.
14. Avoid touching anything as much as possible whilst on club premises.
15. Do not overstay your allocated time slot, you should be clear of the area by the time the next users arrive.
16. Do not stay to socialise.
17. As always, the health and safety of participants is paramount - please ensure those using the nets minimise the risk of injury (wear helmets, pads etc)

Please ensure social distancing at all times you are at the club.

Follow all COVID-19 guidelines established by the Scottish Government:

Return to Cricket

Phase 2 Guidance – 9 Key Requirements

Following the announcement on 18th June by the Scottish Government that Phase 2 of the route map will commence on 29th June, cricket clubs will be able to use outdoor cricket facilities (nets and pitches) for the purpose of undertaking exercise and training.

Full guidance approved by sportscotland will be published prior to 29th June, however, in summary there are 9 key requirements for a safe return to cricket activity in Phase 2:

1. You can take part in outdoor activity alone or with members of your household and/or members of two other households per day, providing that physical distancing of at least two metres is maintained between the different households at all times (no more than eight people in total).
2. Social distancing of at least two metres must be maintained at all times (unless all participants are members of the same household).
3. Coaches should not deliver training to more than 2 households (or extended households) at any one time or provide coaching to more than 2 households (or extended households) per day. A maximum of 8 people, including the coach and participants from up to two other households (or extended households), can participate in a session.
4. Nets should be used on an 'every other' basis, leaving one net free between nets. A similar approach should be taken to distancing groups on the outfield.
5. Clubhouses and indoor facilities should remain closed which includes toilets, locker rooms, storage and activity areas.
6. Only local members should attend the club. As a guide, rather than a fixed limit, 5 miles from your home would be within your local area.
7. We recommend using your own equipment if possible.
8. No saliva or sweat should come into contact with the ball at any time.
9. Wash hands at home before and after using the outdoor facilities. Bring your own hand sanitiser where possible.

Cricket Scotland is clear that outdoor facilities should only reopen if those responsible for them are ready to do so and they can do so safely, following public health guidance: no club should reopen their outdoor facilities if they feel unable to meet the requirements.
